

SAIL TO PREVAIL

The National Disabled Sailing Program

Sailing Instructor - Job Application

Sail To Prevail is a nonprofit organization providing sailing opportunities for physically and developmentally disabled individuals through our Adaptive Sailing Programs. We host more than 1,000 sailors each summer from our docks at Fort Adams State Park in Newport, using a fleet of 5 adapted "Independence 20" sailboats.

The Adaptive Sailing Program begins with staff training in early June and operates from mid-June through mid-August, offering two or three 2-hour sailing sessions each day. We are seeking 5 certified Level 1 instructors to staff these sailboats and schedule. The pay is \$12.50 per hour, with a guaranteed minimum salary of \$250 per week.

Our sailing instructors generally hold some level of certification from U.S. Sailing – **Level I Instructor** certificate or higher is preferred. For interested applicants with prior sailing experience, we will sponsor and reimburse those we employ who need certification or wish to increase their level of certification at the start of the season.
